## NEWSLETTER T3 | PART 2

info@industriepa.net

Farewell Miss Kristy Murtagh... Miss Kristy is not returning in term 3 and will be missed from the IPA team. We wish her well in the future.

Concert preps are upon us. Costuming is a requirement for any performance. In the next week or so the office will invoice those groups that will require costuming for the end of year performance (all Industrie dancers perform in the 2017 Theatrical Concert (except RAD ONLY & Dance For Tots students). Your teachers will keep their groups informed along the way.

Parents should expect a costuming invoice via email very soon. The invoices will be for \$100 per routine (some will be doing 1 new routine, others will be doing 2 new routines). This should cover costuming costs and enable us to place all orders. Whilst costuming costs are not yet confirmed, the amount will be the deposit required to enable us to order and to ensure they arrive on time. Should the costuming costs come under or above the invoice a refund and/or additional invoice will be sent home.

Costuming invoices will be due on 12<sup>th</sup> September.

We are also about to place another Industrie Jacket order. We would love to see as many dancers as possible wearing our Studio jacket proudly. Please see Miss Ali to place your order, full payment is applicable up front.

A huge \*THANK YOU\* to my amazing DV staff for stepping up over the last couple of weekends whilst I have had some personal time with my family & friends and performed in The CROON Show.

It is so wonderful to see that classes run as per usual in my absence (what an amazing support team I have!).

I am heading to Sydney for the Australian Dance Festival 15<sup>th</sup>-18<sup>th</sup> September. This is the biggest dance convention for dancers & teachers in Australia - 3 days of refreshing my skills, creative vision & learning different techniques to help further my dancers.

Continuing my training as a teacher is imperative to keeping my dancers fresh and up to date with latest and greatest in the 'dance world'.

During our time away the IPA's Eastern Shore Extension team will also compete in Australia's Best Dance Crew alongside some amazingly talented full time dance schools - I know you will be cheering them from afar! ☺

## **VOCAL LESSONS**

Miss Hannah & I have been in discussions for quite some time now to arrange vocal lessons for our Derwent Valley students at our DV studios.

Vocal lessons will be held on a Thursday or Saturday depending on numbers & interest. These speciality lessons are not included in our sliding scale of fees and will be charged at \$15.00 per 15minute lesson (to give you an idea of costs outside of IPA you pay upwards of \$50.00 for a private vocal at other companies)

To make these private lessons viable we must have a minimum of 8 bookings.

These lessons are targeted at our song & dance soloists/duoists and those who wish to fine tune their vocal skills.

Please register your interest with [ali@industriepa.net](mailto:ali@industriepa.net)

## **EXAMS**

Well done to all dancers that recently participated in the jazz exams. We also wish our RAD (ballet) students the best of luck as they prepare for their upcoming examinations in October. What great opportunities for our dancers. Exam classes are incredibly beneficial. I would recommend all junior/intermediate students to carefully consider these classes. Outside of ballet, examination work is a strong contributor to amazing technique training– enquire at [info@industriepa.net](mailto:info@industriepa.net) for term 4 class info.

## **SUMMER SCHOOL MOVED TO AUTUMN SCHOOL**

As we start planning our 2018 dates. We have decided that we will not hold a Summer School during the Summer holidays for this year only, mainly due to the fact that our return date for 2018 will be end of January, not leaving much time in between our other holiday commitments/family time. We are excited however to introduce a term 1 holiday /Autumn/ Easter workshop opportunity – watch this space.

## **FUNDRAISING**

Thank you for your support in selling our Cadbury chocolates as we try to raise funds to get our team to Queensland. If you are able to take more please let me know.

Next stop KRISPY KREMES!! Order forms go home with your dancers this week and again thank you for your support! ☺

## **AFL GRAND FINAL FOOTY MARGIN TICKETS**

We have Grand Final Footy Margin tickets available to purchase from the studio to help get our Performance Crew to Showcase Nationals in January 2018.

Tickets are \$10 each (only 100 tickets available)

1<sup>st</sup> Prize \$450.00

Half time \$50

1/4 and 3/4 time \$25

## **REMINDERS...**

### **ABSENCES**

Should you be away from your class whether it be for illness or otherwise it is imperative I am made aware well before 5 minutes before your class! Absences from classes in term 3 has been extremely high and considering we are head down into concert preparations it is not overly ideal. Should dancers be missing from class please note that they may be removed from the choreography taught that lesson. Especially if I am not made aware prior and can't change my class plans.

You can email absences to [ali@industriepa.net](mailto:ali@industriepa.net)/[infor@industriepa.net](mailto:infor@industriepa.net) or via txt 0400 827 887.

## **CLASS CHANGES**

It is important that parent's liaise with the office regarding taking up or dropping of any classes to avoid confusion, overdue invoices and or missed payment changes. This is in addition to discussing it with your teacher as we often forget to pass on the information. This will take some time to get used to and that is ok. A two week cancellation policy does apply in 2017 to dropping any classes.

## **RAD EXAM PAYMENTS**

RAD exam payments are now due. Everyone should have now received their invoices for this. Thank you

## **CONCERT INFORMATION...**

More detailed information will be sent your way shortly. In the meantime, talk with your teacher if you are unsure of what your dancer is doing in the concert.

See below for some need to know information for now.

### **2017 END OF YEAR THEATRICAL CONCERT – 18<sup>th</sup> NOVEMBER (Mt Nelson Theatre)**

- Our theatrical concert is our major (all school) end of year performance and includes most Industrie dancers (except Dance For Tots students).
- A reminder that most groups will do at least one routine in our end of year concert, this includes competitive and non-competitive groups, tap boot camp, all hip-hop classes and acro. If unsure, please ask your teacher. See dates below. The theatrical concert does not include RAD **ONLY** students as they perform in the ballet concert.
- Concert tickets will go on sale on Thursday 19<sup>th</sup> October
- We will hold two shows this year – Matinee & Evening. However, quite different to the norm... our Junior (9 years & Under) dancers will feature in the Matinee concert only. And our Intermediate/Senior dancers (11 years +) will feature in the Evening concert only (with the exception of a few guest appearances).
- Costuming invoices will be received shortly with payment due by the 12<sup>th</sup> September. This is to ensure we can order your costume and so it is here in time.
- It is essential you have the below dates locked in your diary. Rehearsal dates will be confirmed and finalised shortly. Please note, to ensure a smooth concert, rehearsals are compulsory.
- All finer details – concert tickets, parent responsibility and concert rehearsal and concert day schedules to be sent home shortly.

## **CONCERT T.SHIRT**

As we lead into the concert. We would like to bring the school together by producing an Industrie t.shirt that will encourage team morale, ensure a uniform look on concert day and in addition we are producing somewhat of a keepsake for our first year Industrie dancers – the originals!

We request that our end of year concert finale and school photo (to be taken on concert day) be done in the concert t.shirt, making it compulsory for all dancers that wish to perform in the finale, alternatively your dancer can choose to not perform in the finale should a t.shirt not be an option for you.

Gwen, at reception, will have sample sizes at reception and request you size, pay and order your T. asap to ensure quick delivery. Concert t.shirts are \$25 and payable upon order.

**PLACE YOUR T.SHIRT ORDER NO LATER THAN END OF TERM 3.**

## **END OF YEAR CONCERT AWARDS**

We will continue to hold our awards presentation at the end of the year concert. As we all know, all dancers are of course worthy of an award, however it is also essential to recognise those that have shown outstanding commitment, recognise achievements and acknowledge those that show positive attitudes and who go above

and beyond what their teachers ask of them. As our dancers quite often have many teachers, our process this year will be by nomination by teachers. It will be a combined decision amongst the staff making it fair across the school.

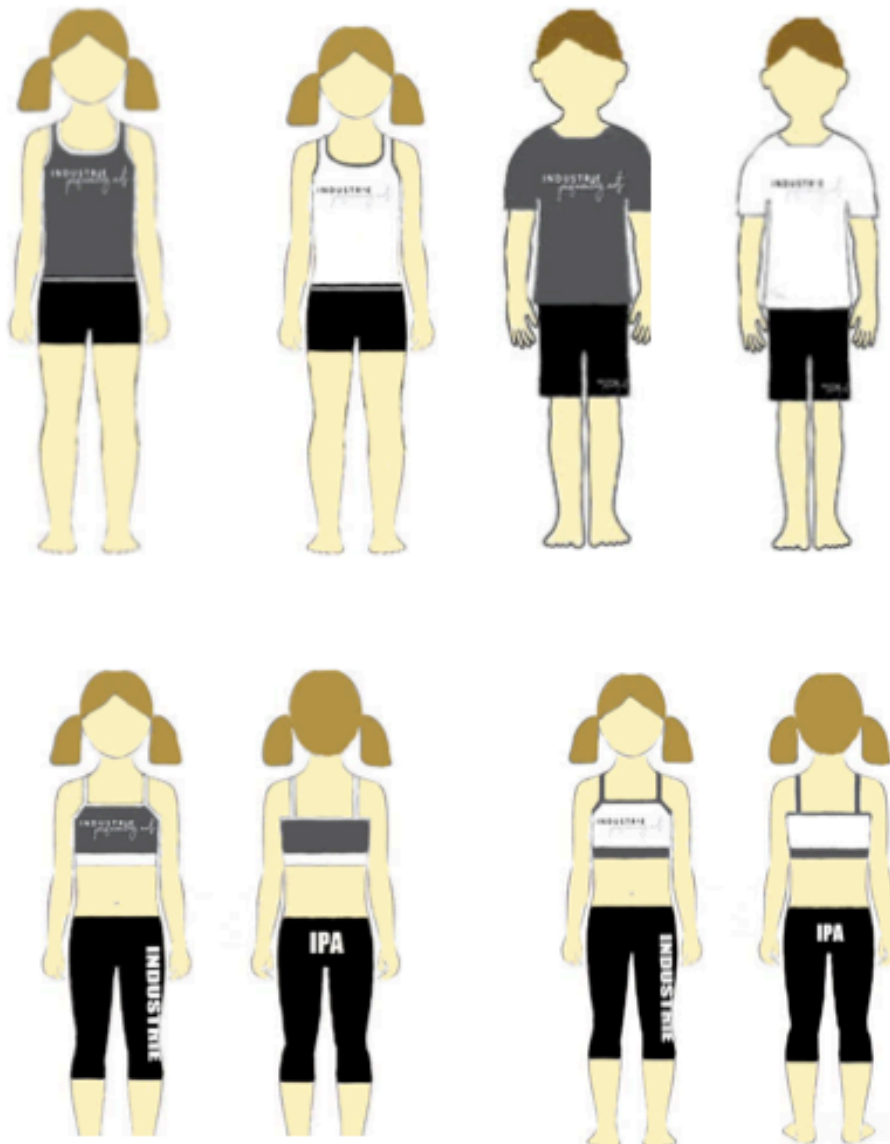

## OFFICIAL UNIFORM/JACKET ORDERS

We are now ready to introduce our basic's uniform range. We would love to see all dancers in our official uniform/jackets as they arrive. Whilst official uniform is not compulsory in 2017, all official uniform will of course be compulsory for dance classes as of 2018.

### **BASICS UNIFORM RANGE**

We have attached examples of our basic's range that will be ready to order from Miss Ali very soon. We are have received a sizing kit and costs will be finalised asap. Once the costs are confirmed, we will inform you and will then take orders. Payment in full is required upon order. This would make a great Christmas gift for your dancer and should you want it gift wrapped with personalised IPA gift wrap, please let me know upon ordering (\$2 surcharge applies). We hope you love it as much as we do!
