***Full term fees must be paid by the due date on your invoice (late payment fees will apply)

VERY IMPORTANT INFORMATION

- You should be aware that Invoices and direct debit payment amounts in 2018 will automatically include a \$15 per family per Term equipment fee. This is to help cover costs for cutting/copying of music and updating of standard equipment props for all dancers.
- Please note costuming costs are in addition to all class fees and will be advised separately throughout the year.
- Competition/exam fees may be an additional charge to you throughout the year. You will be advised separately of these charges if they apply.
- Should Industrie PA find it necessary to cancel any classes due to personal reasons you will receive a credit/refund for the classes affected.
- Missed Classes; please note that you do pay for ALL MISSED CLASSES (eg illness), UNLESS your classes are cancelled by INDUSTRIE PA. At times replacement teachers may be necessary for various reasons – it will be regular INDUSTRIE PA staff looking after your dancers. You will be notified only if the replacement is a guest teacher outside of our usual IPA teaching staff.**
- 2 weeks' notice of cancellation of any class applies in 2018**

*Our job is to provide the classes and opportunities. It's up to you if you do a little or a lot.
Either way we endeavour to provide a great service for you and your dancer.*
